Art Pray Love

In the beginning the Word already existed.
The Word was with God, and the Word was God.
He existed in the beginning with God.
God created everything through him,
and nothing was created except through him.
The Word gave life to everything that was created,
and his life brought light to everyone.
The light shines in the darkness,
and the darkness can never extinguish it.

And I am convinced that nothing can ever separate us from God's love. Neither death nor life, neither angels nor demons, neither our fears for today nor our worries about tomorrow—not even the powers of hell can separate us from God's love.
